*The building committee has been working long hours trying to get approval to proceed with hall repairs and renovations, and raising funds. The hall roof is tentatively scheduled for repair in October and then, depending on the state of the hall once that is complete, engineering drawings and conceptual approval should follow. This will make it possible to begin construction on the hall in the spring. The hall committee has been at work many years already and would welcome new volunteers. Email [sondi@telus.net](mailto:sondi@telus.net) for contact info or info on how to donate to the building fund.*

*Unfortunately we are no longer able to use the rink shack so there will not be hockey or recreational rinks at Gold Bar Community League this winter. This will be disappointing for many but we have an improved rink shack to look forward to.*

*Community Hall Update*

All residents of Capilano, Fulton, Forest and Terrace Heights, Hardisty and Gold Bar communities are invited to attend...

## Edmonton Transit for Seniors

---

ETS Travel Training, through our Mobility Choices Travel Training Program, is a customized program designed to meet the needs of the individual or group that participates, and ranges from introductory sessions on accessing information on our transit system (how to read route schedules, get infor-

mation from our Call Centre, or access information through our website), vehicle demonstrations (home visits with a bus to help with familiarization of bus use and how to use the accessible features, with or without mobility aids), safety and security information (including the bus driver as Safe Stranger), and trip planning and practical travel (including companioned bus travel and shadowed bus travel). We provide the program to seniors, and persons with mobility challenges (physical, cognitive, developmental, emotional), as well as newcomers (immigrants, etc) training as well. We also offer training and information sessions to representatives of senior- and disability-serving organizations, as well as to caregivers and advocates. This free program is available any day of the week, and more information or bookings can be handled through our Travel Training office at 780-496-3000, or at ETSTraveltraining@edmonton.ca

## Our Condolences

---

On July 25, 2011, Mr. Andrew Henry Moisey of Gold Bar passed away at the age of 84 years. He lived in our community for over 40 years and was one of the original house owners.

Andrew is survived by his loving wife, Anne and one son, Kenneth (Donna) of Raleigh, North Carolina.
