GOLD BAR HALL UPDATE • JUNE 13, 2013

Attention Gold Bar Residents! Building has begun!!

After nearly eight long years of hard work and perseverance, the Gold Bar Community League is proud to announce that construction of our Community Centre will begin on June 18, 2013!

To make the dream of a new Centre reality, our tenacious Building Committee has generated \$1.2 million dollars through public and private donations, sponsorship and successful grant applications. These funds will be used to complete Phase I of the construction process and provide us with a versatile building that will serve our community for generations to come.

There is more for us to do. Please watch for our Fall Fundraising Fiesta to raise the additional funds we need to finish our new Centre!

In the meantime enjoy your summer. Our playground and splash park will be open and our construction area will be fenced off to keep everyone safe. Have a great summer.

Laurie Scott,
Gold Bar Community Hall Building Chair
