Our condolences

Longtime Gold Bar resident Helma Christensen passed away on August 28th, 2013 at the age of 84.

Helma and her late husband John were great supporters of the community and especially enjoyed Halloween when all the neighborhood children would come by. Helma liked to keep a tally of the number of costumed visitors who came by on that special evening. Having spent over 40 years in the community supporting bottle drives, chocolate bar sales it didn't matter. If a kid was selling, she was buying. She loved the neighborhood, especially everyone's flowers. She was happiest sitting in the swing in the backyard watching her garden and admiring her flowers. She always loved when a certain neighbor down the road would leave a zucchini on her table outside. " Every year he does that, he never misses!"

She never saw him do it but it sure made her happy that he did.

She was also very grateful for the random acts of kindness people, adults and children, showed her. Shovelling her walk in winter, cutting her grass in the summer. "Such nice kids" she would say " They didn't have to do it...I'm sure glad they did" "They did a real nice job too!" If she could catch them when they were finished she would slip them some money. They never expected to be paid and that's what gave her the greatest joy.

To honor Helma Christensen I would ask that everyone commit one random act of kindness. It really does feel good.
