#### GOLD BAR HALL UPDATE • JUNE 6, 2012

As of today we have approval for the roof and are proceeding to tender the work. We are planning to start this work in the next two to three weeks so you should see some activity fairly quickly on that.

We are still waiting for another approval from Community Services in order to proceed with our Development Permit and submit drawings for final construction approval on the hall. It is a tough process to get through and we remain hopeful this will happen in the next week to two weeks. What we can say today on a positive note is that our councilor Ben Henderson has Gold Bar on his agenda and we have been keeping him up to speed on where we are at. Keep your fingers crossed and hopefully this will all come together in the next couple of weeks.

Laurie Scott,  
Gold Bar Community Hall Reno Director

### Financial Director

Also a big thank you to **JERRY PURPUR** for the years he spent keeping track of the finances, and a big thank you to **KELLIE EDGINGTON** for the time that she served our community as book keeper. We are looking for someone who can work with our treasurer, and a professional book keeper.

The community would like to send condolences to the family of **Clifford Waite** who passed away in January of this year. Mr. Waite was a staff sergeant with the Edmonton Police for 30 years. The family has lived in Gold Bar for 50 years; Mrs. Waite served as social director on the executive and his two sons attended our community schools and one even played on the community league hockey team. They have many treasured friends here and Clifford will be greatly missed.
