

Fulton Place and Gold Bar Annual Family Fun Day a GREAT success!

Once again our two communities came together to enjoy a beautiful, fun day at the Fulton Place Community League Hall. Many hotdogs were consumed by all! The great weather brought out many families who enjoyed horse-drawn wagon rides, great skating at the rink, snow-shoeing in the park, and visiting with neighbours that perhaps you hadn't seen over the winter.

This event could not have happened without the joint participation of both Fulton Place and Gold Bar Community Leagues. Special mention goes out to Trudy...can you say Cotton Candy? (from Gold Bar) and Gayleen (from Fulton Place) who both volunteer for the social programming in their respective leagues. Without these girls, we would not have these social gatherings.

Kudos also go to John (Gold Bar), Sherri and her son (Fulton), Dave (Fulton), Dave (Fulton), Rodger (from the City of Edmonton), and of course anyone else who pitched in and helped out. So are you disappointed that you may have missed this event?

Monica Scaber, Newsletter Director (Fulton Place)

Trudy's Note: We collected a huge box of food bank donations – THANK YOU!
The winners of the Family Movie Night baskets were Jonathan Hood and Elizabeth Gandy.

Our Condolences

The community expresses sympathy to Rodger and Heather Davidson following the recent death of Heather's father, **Ralph Hansch**. The Hansch family formerly resided in the Capilano area. Ralph lived a full life, highlighted by his capturing a gold medal as a member of the Edmonton Mercurys hockey team at the Oslo Olympics in 1952. Rodger Davidson regularly attends our community meetings and serves a vital role as a representative of the City of Edmonton Community Services.
