Gold Bar Annual General Meeting, May 4, 2009, 7:00 pm

With the Gold Bar Annual General Meeting just around the corner we welcome all residents to join us at Gold Bar Hall on Monday, May 4, 2009 at 7:00 pm. This year we have one VACANT position. The President's position has been held by Murray Badger since June of 2006 and he would like to give another community member the opportunity to get involved. Murray has been instrumental in helping the executive take on and accomplish a number of tasks over the past years. We thank him for his direction and dedication and now that he will remain involved with the community in many different areas.

Our Treasurer's position also comes up for renewal this year but we are pleased to announce, Nicole Kraychy, as the incumbent for this position. Three years ago this June, Jerry Purpur took on the position of Treasurer for the league. In October of 2006, the position of Treasurer was split into two categories with Jerry holding the elected executive position and Diane Brauer taking over the bookkeeping component of the job. We thank both Jerry and Diane for their time and commitment and know that we are a stronger community because of their service.

Nicole Kraychy, has been in training for Treasurer for the past year and we are anxious to officially welcome her onto the executive of Gold Bar Community League at our upcoming AGM. Diane Brauer will remain as Gold Bar's financial bookkeeper and will continue to assist Nicole while Jerry stays on as our Financial Director. In this day and age we are confident that we have a strong financial group working together for Gold Bar's best interest.

Our community is only as good as its members and we are so fortunate in Gold Bar to have many talented and vibrant people. Please come and share your talents with us, we need your support and we encourage each of you to get involved. We look forward to hearing from you.

If you are interested in filling the PRESIDENT'S position, please contact Isabella at 780-466-3895 prior to May 4, 2009.
