## Benefits from Scout Bottle Drive

---

On July 9, 2011 nine scouts and four leaders from the 70th Gold Bar Scouts boarded an airplane for Vancouver, BC for the scouting adventure of a lifetime. Every four years the scouting councils of British Columbia put on a big jamboree (scout camp) Where 3500 scouts, leaders and support staff gather for a week of camaraderie and high adventure. This year's theme was Lord of the Rings.

During the week our group backpacked for 8 km with an altitude rise of 2100 feet to sleep under the stars next to Gambier Lake, canoed, toured, took a gondola to visit the site of the Olympics, visited the ocean and did some wall climbing.

The 70th Gold Bar Scouts thank the people of the communities of Gold Bar, Fulton Place and Capilano for donating your cans and bottles and buying our popcorn, and we thank our corporate sponsors (Suncor, Esso; Strathcona Refinery and Garnet Instruments) for their cash donations.
